Aucun dépôt n'a été fait dans le cours du présent mois.

Veuillez me dire si ce débit considérable représente des gages sur le grain actuellement en entrepôt dans les élévateurs à grains du gouvernement.

Je demeure, Monsieur,
Votre obéissant serviteur,
E. D. SUTHERLAND,
pour A. G.

Au sous-ministre du Commerce.

BUREAU DU SOUS-MINISTRE DU COMMERCE,

CHER MONSIEUR,—En réponse à votre honorée du 18 disant que sur le compte de l'Acte des Grains du Canada, il y a un solde de débit à la fin de novembre au montant de $358,138.97 et qu'aucun dépôt n'a été fait durant le mois, j'ai l'honneur de vous dire que le comptable affirme avoir envoyé au ministère des Finances les états de compte, les récépissés de dépôt et les traites, y compris les remboursements portés au compte du fret, etc., comme suit:—

Votre dévoué,
F. C. T. O'HARA,
Sous-ministre.

A l'Auditeur général.

MINISTÈRE DU COMMERCE,
OTTAWA, 13 mars 1917.

CHER MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 13 courant au sujet d'un solde de débit de $366,592.90 sur les remboursements de fret en vertu de l'Acte des Grains du Canada, et en réponse je dois vous dire que, d'après nos registres jusqu'au 28 février inclusivement, les dépenses portées à ce compte ont été de $3,606,026.76, tandis que nous avons remis au ministère des Finances, à la date du 8 courant, des traites s'élevant en tout à $3,456,439.16, laissant une balance de débit de $949,588.60.

Of course during the month of March the Board of Grain Commissioners have been issuing cheques on this account, the amount of which we are not aware, and will not be until the end of the month, and on the other hand they have no doubt received refunds the bank receipts for which have not yet reached us.

I have to point out that of course the outstanding balance is not in any way affected by the approach of the end of the fiscal year. The freight charges are paid when the grain is put in the elevators and is only refunded to us upon its being shipped out.

Yours truly,
F. C. T. O'HARA, *D.M.*

The Auditor General.

AUDIT OFFICE, OTTAWA, May 22, 1917.

SIR,—With reference to the open account for the adjustment of freight payments and refunds in connection with the Government Elevators I find from the records in this office that the following amounts were paid for freight and fees during the past fiscal year:—

Calgary	$ 157,638 32
Moosejaw	415,942 01
Port-Arthur	2,727,184 05
Saskatoon	485,307 49
Vancouver	3,110 12
	$3,789,181 99
Balance from 1915–16	78,242 51
	$3,867,424 50

Against these payments there have been refunds as follows:—

Calgary	$ 154,807 78
Moosejaw	447,744 35
Port-Arthur	2,691,419 27
Saskatoon	501,709 40
Vancouver	2,590 42
	$3,798,271 22

You will notice that the adjustment of this open account on March 31, 1917, the last day of the fiscal year, shows an excess of payments, including a balance of $78,242.51 carried forward from 1915–16, over refunds, of $69,153.28.

I have no statements or other means at my disposal at present to verify the accuracy of the balance to be carried forward to the fiscal year 1917–18, and I shall be obliged if you will cause to be sent me the statements or other proofs which you have received from the Grain Commission with reference thereto and which you consider are sufficient to show that all collectable payments for freight, etc., chargeable to the open account have been received by the commission and duly accounted for.

I am, sir, your obedient servant,
J. FRASER, *A.G.*

The Deputy Minister of
Trade and Commerce.

DEPT. OF TRADE AND COMMERCE,
OTTAWA, May 25, 1917.

DEAR SIR,—I beg to acknowledge receipt of yours of the 22nd instant with reference to the adjustment of the open account for the freight payments and

Certes, durant le mois de mars, le bureau des Commissaires des Grains a émis des chèques sur ce compte pour un montant que nous ne connaissons pas et que nous ne saurons qu'à la fin du mois, et d'un autre côté, ils ont sans doute reçu des remboursements dont les récépissés ne nous sont pas encore parvenus.

Je désire faire remarquer que cette balance en souffrance n'est certes pas affectée par la fin de l'exercice financier. Les frais de fret sont payés lorsque le grain est placé dans les élévateurs et ne nous sont remboursés que lorsque le grain est expédié.

Votre dévoué,
F. C. T. O'HARA,
Sous-ministre.

A l'Auditeur général.

BUREAU DE L'AUDITEUR, 22 mai 1917.

MONSIEUR,—Au sujet du compte ouvert pour le règlement des paiements et remboursements de fret dans les opérations des élévateurs du gouvernement, je trouve d'après les entrées dans ce bureau que les montants suivants ont été payés pour fret et honoraires durant le dernier exercice financier:—

Calgary	$ 157,638 32
Moosejaw	415,942 01
Port-Arthur	2,727,184 05
Saskatoon	495,307 49
Vancouver	3,110 12
	$3,789,181 99
Balance pour 1915–16	78,242 51
	$3,867,424 50

Pour couvrir ces paiements, les remboursements suivants ont été faits:—

Calgary	$ 154,807 78
Moosejaw	447,744 35
Port-Arthur	2,691,419 27
Saskatoon	501,709 40
Vancouver	2,590 42
	$3,798,271 22

Vous remarquerez que le règlement de ce compte au 31 mars 1917, le dernier jour de l'exercice financier, révèle un excédent de paiements sur les remboursements, y compris une balance de $78,242.51 reportée de 1915–16, se montant à $69,153.28.

Je n'ai pas à ma disposition de relevé ou autre moyen actuel pour vérifier l'exactitude de la balance à reporter à l'exercice financier 1917–18, et je vous serais reconnaissant de me faire envoyer les relevés et autres documents que vous avez reçus de la Commission des Grains à ce sujet et que vous croirez suffisants pour montrer que tous les paiements percevables pour fret, etc., imputables à ce compte ouvert, ont été reçus par la Commission et dûment portés.

Je demeure, monsieur,
Votre obéissant serviteur,
J. FRASER,
Auditeur général.

MINISTÈRE DU COMMERCE,
OTTAWA, 25 mai 1917.

Lettre de crédit.

CHER MONSIEUR,—J'ai l'honneur d'accuser réception de votre honorée du 22 courant au sujet du règlement du compte ouvert pour les paiements et rem-

In reply I beg to state that your office has been supplied with all the statements and documents in connection therewith received by this department.

SIR,—With reference to my letter of the 22nd instant calling attention to the payments and refund during the fiscal year ended March 31 last in connection with the Canada Grain "open account", I find that a further refund of $11,866.38 has recently come to account.

This refund reduces the excess of payments over refunds to be carried forward to 1917-18 to $57,286.90.

Owing to an interchange of the freight payments in September, 1916, between Moosejaw and Saskatoon there was a slight error in the totals of these elevators as given in my letter of the 22nd instant.

This error has been rectified so that the "open account" on the 31st March last, as revised and corrected by recent entries is now as follows:—

	Payments.	Refunds.
	$ cts.	$ cts.
Calgary	157,638 32	166,674 16

I am, sir, your obedient servant,
J. FRASER, *A.G.*

Deputy Minister,
Trade and Commerce,
Ottawa.

NOTE BY A. G.—According to a special audit of this account made by Messrs Marwick and Co., Winnipeg, it has been ascertained that there was on, November 26, 1916, a deficit of $142,603.73.

So far as I have been informed there has been no refund of this deficit.

boursements de frais de fret, relativement aux opérations des élévateurs à grains du gouvernement pour l'année 1916-17.

En réponse, je dois vous dire que votre bureau a reçu tous les états et documents à ce compte qui ont été envoyés à ce ministère.

Je vous envoie copie de votre lettre au bureau des Commissaires des Grains avec demande de fournir les preuves requises attestant que tous les paiements percevables pour ces frais de fret, etc., ont été encaissés et portés à ce compte.

Votre dévoué,
F. C. T. O'HARA,
Sous-ministre.

A l'Auditeur général.

BUREAU DE L'AUDITEUR, OTTAWA, 25 mai 1917.

MONSIEUR,—Au sujet de ma lettre du 22 courant attirant l'attention sur les paiements et les remboursements, durant l'exercice financier terminé le 31 mars. à propos du compte ouvert en vertu de l'Acte des Grains du Canada, je trouve que dernièrement une somme de $11,866.38 a été remboursée et portée au compte.

Ce remboursement réduit l'excédent des paiements sur les remboursements à reporter en 1917-18 à la somme de $57,286.90.

Par suite d'un changement entre des entrées des paiements de fret pour les élévateurs de Moosejaw et Saskatoon pendant le mois de septembre, il y a une légère erreur dans les totaux donnés sur ma lettre du 22 courant.

Cette erreur a été corrigée, de sorte que le compte ouvert du 31 mars dernier est maintenant comme suit après revision et correction par les dernières entrées:—

	Paiements.	Remboursements.

Calgary	157,638 32	166,674 16

Balance de 1915-16....	78,242 50	
	$ 3,867,424 50	

Je demeure, monsieur,
Votre obéissant serviteur,
J. FRASER,
Auditeur général.

Au sous-ministre du Commerce,
Ottawa.

NOTE PAR L'AUDITEUR GÉNÉRAL,—D'après une apuration spéciale de ce compte faite par MM. Marwick & Co., Winnipeg, il a été trouvé au 26 novembre 1916 un déficit de $142,603.73.

D'après les renseignements que j'ai eus, il n'a pas été fait de remboursement sur ce déficit.

War Bonus to Miners.

DEPARTMENT OF LABOUR,
OTTAWA, December 27, 1917.

SIR,—Referring to your circular communication of the 30th ultimo on this subject, I beg to state that there were, on the 31st of March last, no arrears due the department, unless we consider as arrears an amount of $20,505.84 advanced the Crowsnest Pass Coal Company at the beginning of April by the Department of Finance at the request of the Minister of Labour. Our information does not show if this amount was issued as within the year 1916-17 or for the fiscal year 1917-18, the date permitting payment, perhaps, from either period. The sum in question may be shown in the arrears statement of the Department of Finance. It is possible also that the Department of Finance issued this amount from the War appropriation, which is understood to be an open account, not adjusted from year to year but to be finally closed at the end of the war.

I have the honour to be,

J. A. ACLAND, *D.M.L.*

The Auditor General.

Bonis de guerre aux Mineurs.

MINISTÈRE DU TRAVAIL.
OTTAWA, 27 décembre 1917.

MONSIEUR,—Au sujet de votre lettre circulaire du 30 dernier sur ce sujet, je dois vous dire qu'il n'y avait pas, au 31 mars dernier, d'arrérages dus au ministère, à moins de considérer comme arrérages la somme de $20,505.84, avancée à la Crow's Nest Pass Coal Company au commencement d'avril par le ministère des Finances à la demande du ministre du Travail. Les renseignements que nous avons ne permettent pas de dire si ce montant se rapporte à l'exercice 1916-17 ou à celui de 1917-18, la date permettant de le mettre dans l'un ou l'autre. La somme en question peut être considérée comme arrérages dans l'état du ministère des Finanaces. Il est possible aussi que le ministère des Finances ait émis ce montant à même les crédits de guerre pour faire un compte ouvert qui resterait ainsi d'année en année et qui sera clos définitivement à la fin de la guerre.

J'ai l'honneur d'être, monsieur,
Votre dévoué,
F. A. ACLAND, S.-M.

A l'Auditeur général.

Assistant Secretary of the Patriotic fund employed in the Department of Militia and Defence.

AUDITOR GENERAL'S OFFICE,
October 13, 1917.

SIR,—I understand you are paying Mr. P. H. Morris, Assistant Secretary of the Patriotic Fund, the sum of $5 per day as associate member in an advisory capacity only, of the "Separation Allowance Board". I suppose you are aware that Mr. Morris is in receipt of a salary of $2,000 per annum from the Patriotic Fund. Please let me know your authority for the payment of an additional $5 per diem by your Department.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister of Militia and Defence.

Sous-secrétaire du Fonds patriotique employé au ministère de la Milice et de la Défense.

BUREAU DE L'AUDITEUR GÉNÉRAL,
OTTAWA, 13 octobre 1917.

MONSIEUR,—Je crois comprendre que vous payez à M. P. H. Morris, sous-secrétaire du Fonds patriotique, la somme de $5 par jour comme membre associé en tant que conseil seulement de la "Commission des allocations de séparation".

Vous savez, je suppose, que M. Morris reçoit un salaire de $2,000 par année du Fonds patriotique.

Veuillez me dire sur quelle autorité votre ministère se base pour payer cette somme additionnelle de $5 par jour.

Je demeure, monsieur,
Votre obéissant serviteur,
J. FRASER, *A.G.*

Au sous-ministre de la Milice et de la Défense.
Ottawa.

DEPARTMENT OF MILITIA AND DEFENCE,
OTTAWA, 17th October, 1917.

SIR,—In reply to your letter of the 13th instant regarding salary of $5 per diem paid Mr. P. H. Morris, as associate member of the Board of Review on Separation Allowance, I am to say that his appointment was made with the approval of the Patriotic Fund Committee, and on the authority of Privy Council. The Honourable the Minister approved of his salary being fixed at $5 per day. Officially, this department has no knowledge of any remuneration paid Mr. Morris by the Patriotic Fund Committee, but if such is the case, it is a matter for the Patriotic Fund to consider, rather than the Department of Militia and Defence, as the services rendered the department by Mr. Morris are very valiuable and well worth the salary paid him.

I am, sir, your obedient servant,

EUG. FISET, *D.M.*

The Auditor General.

MINISTÈRE DE LA MILICE ET DE LA DÉFENSE.
OTTAWA, 17 octobre 1917.

MONSIEUR,—En réponse à votre lettre du 13 courant concernant le salaire de $5 par jour payé à M. P. H. Morris, comme membre associé de la Commission de revision des allocations de séparation, je dois vous dire que sa nomination à été faite avec l'approbation du comité du Fonds patriotique et en vertu d'un arrêté en conseil.

Le ministre a approuvé le taux de son salaire à $5 par jour.

Officiellement, ce ministère ne sait rien de toute rémunération payée à Morris par le comité du Fonds patriotique, mais si la chose existe, c'est là une question qui relève du Fonds patriotique plutôt que du ministère de la Milice et de la Défense, car les services rendus par M. Morris sont très précieux et valent bien le salaire qui lui est payé.

Je demeure, monsieur,
Votre obéissant serviteur,
EUG. FISET, S.-M.

A l'Auditeur général.
Ottawa.

AUDITOR GENERAL'S OFFICE, October 23, 1917.

SIR,—I have to acknowledge receipt of your letter of 17th instant in reference to the payment of $5 per day to Mr. P. H. Morris, representative of the Canadian Patriotic Fund in an advisory capacity only, as an associate member of the Board of Review on Separation Allowance. You state that the appointment was made with the approval of the Patriotic Fund Committee, and on the authority of Privy Council. On referring to the Order in Council, 13th September, 1917, I find no provision for the payment of a salary. This was evidently observed by you, as you state that the Honourable the Minister approved of his salary being fixed at $5 per day. If the Government wished to pay this sum it should be provided for by Order in Council. You state that you have no official knowledge of any remuneration paid by the Patriotic Fund Committee. I informed you in my letter of 13th instant that Mr. Morris was paid at the rate of $2,000 per annum by that committee. His services are paid from funds collected from generous persons all over the Dominion, and his whole time is, presumably, at the disposal of the committee, and if that committee gives a portion of those services to your department and your department decides to pay $5 per day for the services, this amount should be paid to the Patriotic Fund and not to Mr. Morris. I have therefore to request that you will cease paying any further sums to Mr. Morris until the same are duly authorized, and that you will recover the amount already paid.

I am, sir, your obedient servant,
J. FRASER, *A.G.*

The Deputy Minister of Militia and Defence,
Ottawa.

AUDITOR GENERAL'S OFFICE, October 23, 1917.

SIR,—I beg to call your attention to an amount which is paid to your assistant secretary, Mr. P. H. Morris, by the Department of Militia and Defence for services as Associate Member of the Board of Review on Separation Allowance, to which he was appointed by Order in Council of 13th September, 1917, in an advisory capacity. The Department of Militia pays him at the rate of $5 per day. You are aware of the fact that Mr. Morris receives a salary of $2,000 per annum from your committee and, presumably, his whole time is at the disposal of the committee. If so, I think the Militia Department should pay the $5 per day to the credit of the Patriotic Fund and not to Mr. Morris. I enclose copies of the correspondence with the Militia Department on this subject.

I am, sir, your obedient servant,
J. FRASER, *A.G.*

The Honorary Treasurer, Patriotic Fund Committee.

Travelling expenses of the Parliamentary Secretary of Militia and Defence: Details not furnished.

AUDITOR GENERAL'S OFFICE, December 28, 1917.

SIR,—I beg to call your attention to the following cheques, issued by Headquarters during the year 1916-17:

No. 22069—F. B. McCurdy, expenses incurred proceeding to various places from July to November, 1916—$236.58.

BUREAU DE L'AUDITEUR GÉNÉRAL.
OTTAWA, 23 octobre 1917.

MONSIEUR,—J'accuse réception de votre lettre du 17 courant au sujet du paiement de $5 par jour à M. P. H. Morris, représentant du Fonds patriotique canadien en tant que conseil seulement comme membre associé de la Commission de révision des allocations de séparation.

Vous dites que la nomination a été faite avec l'approbation du comité du Fonds patriotique et en vertu d'un arrêté en Conseil.

En étudiant cet arrêté en conseil, en date du 13 septembre 1917, je ne trouve pas de clause qui permette le paiement d'un salaire. Vous avez évidemment remarqué cela, car vous dites que le ministre a approuvé le taux de ce salaire à $5. par jour. Si le gouvernement désire payer cette somme, il devra y pourvoir par un arrêté en conseil.

Vous déclarez que vous n'avez pas connaissance officiellement d'aucune rémunération payée par le comité du Fonds patriotique. Je vous ai dit dans ma lettre du 13 courant que M. Morris était payé au taux de $2,000 par année par ce comité.

Ses services sont récompensés à même les souscriptions de personnes généreuses de tout le Canada, et tout son temps, je présume, doit être à la disposition du comité; et si le comité donne à votre ministère une partie de ces services, et si votre ministère décide de payer $5 par jour pour ces services ainsi donnés, cette somme devrait être payée au Fonds patriotique et non pas à M. Morris.

C'est pourquoi je dois vous demander de cesser de payer toute autre somme à M. Morris tant que vous n'aurez pas l'autorisation de le faire, et de recouvrer le montant déjà payé.

Je demeure, monsieur,
Votre obéissant serviteur,
J. FRASER, *A.G.*

BUREAU DE L'AUDITEUR GÉNÉRAL,
OTTAWA, 23 octobre 1917.

MONSIEUR,—J'ai l'honneur d'attirer votre attention sur un montant payé à votre secrétaire adjoint, M. P. H. Morris, par le ministère de la Milice et Défense pour services comme membre conjoint du bureau de révision des indemnités de séparation, auquel il fut nommé par arrêté en conseil du 13 septembre 1917, comme aviseur. Le ministère de la Milice lui paie un prix de $5 par jour. Vous n'ignorez pas que M. Morris reçoit un salaire de $2,000 par an de votre comité et il est à supposer que tout son temps est à la disposition du comité. S'il en est ainsi, je crois que le ministère de la Milice devrait payer les $5 par jour au crédit du Fonds patriotique et non à M. Morris. J'inclus copies de la correspondance avec le ministère de la Milice sur ce sujet.

Je demeure, monsieur,
Votre obéissant serviteur,
J. FRASER, *A.G.*

L'honorable trésorier du comité du fonds patriotique.

MONSIEUR,—J'ai l'honneur d'attirer votre attention sur les chèques suivants émis par les quartiers généraux durant l'année 1916-17.

SIR,—Replying to your letter of 28th December, regarding advance made to Mr. F. B. McCurdy, Parliamentary Secretary, this department, I am to say that I have requested him to take the matter up with you direct.

DEPARTMENT OF MILITIA AND DEFENCE,

OTTAWA, January 24, 1918.

SIR,—With further reference to your letter of 28th December, I have received a reply from Mr. F. B. McCurdy, in regard to advances made him by this department, on account of travelling expenses, and beg to attach herewith copy of his reply.

I am, sir, your obedient servant,

EUG. FISET, *D.M.*

The Auditor General.

HALIFAX, CANADA, January 14, 1918.

DEPARTMENT OF MILITIA, OTTAWA.

DEAR MR. BROWN,—Replying to your letter of 7th instant, I regret to have to advise you that it is impossible to forward you particulars of expenses incurred by me while travelling in connection with my duties as Parliamentray Secretary of the Department of Militia and Defence, for the reason that such detailed records were not kept, and are not and never have been in existence. When I first assumed the duties of the office, on the departure of Sir Sam Hughes overseas in July, 1916, Mr. J. W. Borden, Accountant and Paymaster General, advised me that it was not the practice to require ministers to furnish itemized statements of their travelling expenses, and that, my duties being similar to those performed by ministers, the same practice would obtain. In those circumstances, I did not charge my time with the further duty than to make memoranda of the principal expenditures made in departmental visits and inspections; minor expenses, also quite properly chargeable, were borne by myself. Unless the memoranda were made by me at the time of a visit to one or other of the militia camps or depots, the expense was borne by myself, and in the aggregate the travelling expenses incurred in departmental duties exceed the charges made against the department. Detailed statements could, and would have been kept had they been required at the beginning by the Accountant and Paymaster General. Had I had sufficient time, I would, in

N° 29088—F. B. McCurdy, avance sur compte de dépenses de voyage à rendre compte.............................$ 600 00

Jusqu'à présent, je n'ai reçu aucun compte d'aucune de ces avances. S'il vous plaît me les procurer.

Je demeure, monsieur,

Votre obéissant serviteur,

J. FRASER, *A.G.*

Le sous-ministre de la Milice et Défense.

MINISTÈRE DE LA MILICE ET DE LA DÉFENSE,

OTTAWA, 7 janvier 1918.

MONSIEUR,—En réponse à votre lettre du 28 décembre au sujet d'avance faite à M. F. B. McCurdy, secrétaire parlementaire, je dois dire pour ce ministère que j'ai requis de l'entendre directement avec vous.

J'ai l'honneur d'être, monsieur,

Votre obéissant serviteur,

EUG. FISET, *S.-M.*

L'Auditeur Général, Ottawa.

MINISTÈRE DE LA MILICE ET DE LA DÉFENSE,

OTTAWA, 24 janvier 1918.

MONSIEUR,—Comme renseignement additionnel à votre lettre du 28 décembre, je dois ajouter que j'ai reçu une réponse de M. F. B. McCurdy au sujet de l'avance faite par ce ministère pour dépenses de voyage, et j'ai l'honneur de vous inclure dans la présente copie de sa réponse.

Je demeure, monsieur,

Votre obéissant serviteur,

EUG. FISET, *S.-M.*

L'Auditeur Général, Ottawa.

HALIFAX, CANADA, 14 janvier 1918.

CHER MONSIEUR BROWN,

En réponse à votre lettre du 7 courant, je regrette d'avoir à vous dire qu'il est impossible de vous envoyer des détails sur les dépenses encourues par moi lors de l'accomplissement de mes devoirs comme secrétaire parlementaire en voyage pour le ministère de la Milice et de la Défense, pour la raison que je n'ai pas tenu de notes détaillées, qu'il n'en a pas été tenues, et n'en existent pas.

Lorsque j'ai assumé les devoirs de cette charge, au départ de sir Sam Hughes pour outre-mer en juillet 1916, M. J. W. Borden, comptable et payeur général, m'a dit que ce n'était pas la coutume pour les ministres de fournir des états détaillés de leurs dépenses de voyage, et que mes devoirs étant semblables à ceux des ministres, la même coutume devait prévaloir.

Sous ces circonstances, je n'ai pas pris la peine et le temps de tenir note autrement que des dépenses principales faites au cours des visites et inspections relevant du ministère; les menues dépenses que j'aurais pu aussi bien porter au compte du gouvernement, ont été payées par moi. A part les mémoires faits au temps d'une visite à l'un ou l'autre camp ou dépôt, les dépenses ont été réglées par moi, et dans toutes les dépenses de voyage nécessitées par les devoirs de ma charge ministérielle, le ministère se trouverait en dette envers moi.

Des notes en détail auraient pu être tenues et auraient de fait été gardées si l'on avait demandé la chose dès le début par le comptable et payeur

any case, have kept them in greater detail in my own interest, in order to avoid the incidental losses which have accrued to me personally. I have not, and never have had, details of these expenditures, and regret that it is not in my power to furnish accounts. At the end of each trip I entered the total of my expenses and, from time to time, forwarded these memos. to the Accountant and Paymaster General, and received cheques for the total. I made visits to camps and militia establishments in Canada and overseas, but I have no detailed record of expenses; in fact, even as to the totals I should have now to rely on the memoranda in your office.

Yours sincerely,

F. B. McCURDY.

Bate, McMahon & Co. Outstanding Accounts.

AUDITOR GENERAL'S OFFICE, OTTAWA,

October 9, 1917.

SIR.—Of the advances made to Bate, McMahon & Company, on account of construction of camp Borden and for works at Halifax, N.S., during the year 1916–17, there still remains an amount of over $740,000 unaccounted for. It would appear to me that these very large balances should have been covered by vouchers some considerable time ago. Kindly let me have an explanation.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister of Militia and Defence,.

DEPARTMENT OF MILITIA AND DEFENCE,

OTTAWA, October 17, 1917.

SIR.—With reference to your letter of the 9th instant regarding advances made to Messrs. Bate, McMahon & Company, on account of construction of Camp Borden, and for work at Halifax, N.S., during the year 1916–17, I have the honour to advise you that all advances made on account of work at Halifax, N.S., have been accounted for, and vouchers forwarded to your office.

The advances made during the year 1916–17 on account of construction of Camp Borden have been duly accounted for to this department.

For the 1917–18 advances, Messrs. Bate, McMahon & Company have rendered vouchers covering the whole amount, but there are a number of items to which exception has been taken and of which the department has been endeavouring for the past two months to obtain an adjustment. All these vouchers will be forwarded as soon as such adjustment is made.

As the advances on this account for 1916–17 and 1917–18 have been treated as a continuous account the vouchers for 1916–17 have been held until the whole account, including 1917–18, could be submitted to you.

I am, sir, your obedient servant,

EUG. FISET, *D.M.*

The Auditor General.

général. Si j'avais eu le temps, dans tous les cas, j'aurais dans mon propre intérêt tenu des comptes plus en détail afin d'éviter les pertes qui se trouvent accumulées à mon détriment.

Je n'ai pas et je n'ai jamais eu le détail de ces dépenses, et je regrette qu'il ne soit pas en mon pouvoir de fournir les notes. A la fin de chaque voyage, j'inscrivais le total de mes dépenses et de temps en temps j'envoyais ces notes au comptable et payeur général, et je recevais un chèque pour le montant. J'ai visité les camps et les bases militaires au Canada et outre-mer, mais je n'ai pas inscrit les dépenses en détail; de fait, il me faudrait même consulter les documents gardés à votre bureau pour en savoir le total.

Bien à vous,

F. B. McCURDY,

R. P. Brown, sous-compt. et payeur général, Ottawa.

Bate, McMahon et Cie, comptes en souffrance.

BUREAU DE L'AUDITEUR GÉNÉRAL,

OTTAWA, 9 octobre 1917.

MONSIEUR,—Sur les avances faites à Bate, McMahon et Cie, sur le compte de la construction du camp Borden et pour travaux à Halifax, N.-E., pendant l'année 1916-17, il reste encore un montant en souffrance d'au delà de $740,000. Il me semble que ces fortes balances auraient dû être couvertes depuis longtemps par des pièces à l'appui.

Veuillez me faire parvenir une explication.

Je demeure, monsieur,
Votre obéissant serviteur,

J. FRASER, *A.G.*

Au sous-ministre de la Milice et de la Défense, Ottawa.

MINISTÈRE DE LA MILICE ET DE LA DÉFENSE,

OTTAWA, 17 octobre 1917.

MONSIEUR,—Au sujet de votre lettre concernant les avances faites à MM. Bate, McMahon et Cie, sur le compte de construction du camp Borden et pour travaux à Halifax, N.-E., durant l'année 1916-17, j'ai l'honneur de vous dire que toutes les avances faites sur le compte des travaux à Halifax, N.-E., ont été entrées et que les pièces justificatives ont été envoyées à votre bureau.

Les avances durant l'année 1916-17 sur le compte de la construction du camp Borden ont été dûment justifiées pour ce ministère.

Quant aux avances de 1917-18, MM. Bate, McMahon et Cie ont produit des pièces justificatives pour couvrir le montant total, mais il y a un grand nombre d'item auxquels on a fait objection, et au sujet desquels le ministère a essayé pendant deux mois à obtenir un règlement. Toutes ces pièces vous seront envoyées aussitôt que le règlement sera effectué.

Vu que les avances sur ce compte pour 1916-17 et 1917-18 ont été considérées comme étant un seul compte, les pièces justificatives de 1916-17 seront gardées jusqu'à ce que tout le compte, y compris 1917-18, puisse vous être soumis.

Je demeure, monsieur,
Votre obéissant serviteur,

MONSIEUR,—J'accuse réception de votre lettre du 22 décembre dernier, avec une copie d'une police d'assurance émise par E. McMahon et Fils assurant Bate, McMahon et Cie contre la responsabilité des accidents à leurs ouvriers. Je suis informé par le département des assurances que E. Bate, McMahon & Co: payment of Workmen's board, etc., at Halifax.

AUDITOR-GENERAL'S OFFICE, January 17, 1918.

SIR,—I beg to call your attention to certain payments to R. F. Palmer, Halifax, N.S., made by Headquarters in the year 1916-17, by cheques Nos. 2136, 2179, 2582, 3140, 5080, 5488, and 10357. The total amount of these cheques is $4,728.19. The vouchers submitted in support of these payments include numerous accounts amounting in all to $2,567.88, for board and hotel accommodation furnished to employees of the firm of Bate, McMahon & Company. I wish specially to call your attention to two accounts rendered by the Halifax Hotel to Col. R. S. Lowe, and paid by cheque No. 5080, as follows:

Dec. 14, To J. C. Kiley, acct........ $7.60
Dec. 15, To 19 extra meals......... $14.25

It is not clear why these accounts have been made a charge against the Government, and I beg to be informed why board and hotel accommodation of the employees of this firm have been paid by your department.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister of Militia and Defence.

DEPARTMENT OF MILITIA AND DEFENCE,

OTTAWA, February, 6, 1918.

SIR,—With reference to your letter of the 17th ultimo, regarding certain payments made to R. F. Palmer, Halifax, by Headquarters cheques Nos. 2136, 2179, 2582, 3140, 5080, 5488, and 10357, during the fiscal year 1916-17, I beg to submit the following explanation for your consideration. The Headquarters officer responsible for the supervision of the work carried out at the time referred to, being unable to proceed to Halifax and there complete the work with his own staff, appointed the firm of Messrs. Bate, McMahon & Company as his representatives, which firm carried out their duty without any remuneration or commission other than the payment of their workmen and their living expenses, these men being taken to Halifax from their central agency in Ottawa. Col. R. S. Lowe, their superintendent, being billed with the hotel expenses of the employees specially mentioned in your letter, passed the account to R. F. Palmer for settlement, who paid it and included this charge along with the others covered by cheque No. 5080. Had the Headquarters officer been able to proceed to Halifax with his own staff of workmen, their wages and expenses would have had to be paid in the same manner as those

Bate, McMahon et Cie: paiement de pension des ouvriers, etc. Halifax.

BUREAU DE L'AUDITEUR GÉNÉRAL,
OTTAWA, 17 janvier 1918.

MONSIEUR,—Je désire attirer votre attention sur certains paiements faits à R. F. Palmer, Halifax, N.-E., par les quartiers généraux, pendant l'année 1916-17, sous chèques n° 2136, 2179, 2582, 3140, 5080, 5488 et 10357. Le montant total de ces chèques est de $4,728.19.

Les pièces soumises pour justifier ces paiements comprennent de nombreux comptes s'élevant en tout à $2,567.88 pour pension et logement à l'hôtel des employés de la maison Bate, McMahon & Compagnie. Je désire attirer spécialement votre attention sur deux comptes présentés par l'hôtel Halifax au colonel R. S. Lowe, et payé par le chèque n° 5080, comme suit:—

14 décembre, à J. C. Kiley, compte....$ 7 60
15 décembre, à 19 repas supplémentaires.$ 14 25

Il n'est pas bien clair que ces comptes puissent être imputés à la charge du gouvernement, et je voudrais savoir pourquoi la pension et les frais d'hôtellerie des employés de cette maison ont été payés par votre ministère.

Je demeure, monsieur,

Votre obéissant serviteur,

J. FRASER, *A.G.*

Au sous-ministre de la Milice et de la Défense.

MINISTÈRE DE LA MILICE ET DE LA DÉFENSE,

OTTAWA, 6 février 1918.

MONSIEUR,—Au sujet de votre lettre du 17 dernier, concernant certains paiements faits à R. F. Palmer, Halifax, par les quartiers généraux sous chèques n° 2136, 2179, 2582, 3140, 5080, 5488 et 10357, pendant l'exercice financier 1916-17, j'ai l'honneur de vous soumettre les explications suivantes:—

L'officier général responsable de l'inspection de l'ouvrage fait dans le temps mentionné, étant incapable de se rendre à Halifax et de faire compléter là le travail par son propre personnel, a nommé comme son représentant la maison Bate, McMahon et Cie, et cette maison a exécuté ce travail sans rémunération ni commission, demandant seulement le paiement des dépenses de pension et le salaire de ses ouvriers, ces hommes étant transportés à Halifax, de leur agence centrale à Ottawa.

Le colonel R. S. Lowe, leur surintendant, ayant reçu la note des frais d'hôtellerie des employés mentionnés spécialement dans votre lettre, l'a transmise à R. F. Palmer pour lui faire honorer, et celui-ci l'a payée et a placé le montant avec d'autres couverts pas le chèque n° 5080. Si l'officier général avait été capable de se rendre à Halifax avec son propre personnel, les salaires et les dépenses auraient été payés de la même manière que les frais qui ont été payés pour MM. Bate, McMahon

of Messrs. Bate, McMahon & Company, and in view of these circumstances and the above explanation, I trust you will be enabled to consider these charges reasonable and quite in order.

Bate, MaMahon & Co.: settlement of Contract for Construction of Camp Borden Training Camp.

AUDITOR GENERAL'S OFFICE,
January 21, 1918.

SIR,—I beg to call your attention to the following statement submitted in support of Headquarters cheque 3395 of the year 1916–17, issued in favour of Bate, McMahon & Co., as the final payment on their contract for the construction of the training camp at Camp Borden:—

Camp Borden 1916, 3395.

Total receipted and certified vouchers submitted to A.P.M.G.... $	831,872 99
Total signed and certified paylists submitted to A.P.M.G..........	584,911 35
	$ 1,416,784 34
Less credits as per list "A" attached..............................	25,350 99
	$ 1,391,433 35
Amount on which no percentage is payable as per list attached = $212,850.56; 10% on ($1,391,433.35 —$212,850.56) or $1,178,582.79....	117,858 28
	$ 1,509,291 63
Less credits as per list "B" attached..............................	9,050 20
	$ 1,500,241 43
Progress payments to Messrs. Bate, McMahon & Co................	1,434,632 22
Balance................$	65,609 21

You will observe that there are two deductions on this statement, one deducted before and the other deducted after the firm's commission is calculated. On examination of the first list of credits, I find it consists of amounts allowed for overpayments, unfair charges, plant retained by the contractor and the following amounts:—

Y. M. C. A.................$	12,000 00
Strand Theatre.............	8,086 84
Ketchen Theatre...........	274 67
Home Bank.................	1,000 00
Imperial Oil Co............	52 50

It would appear that these amounts were received by the contractor for buildings constructed by them, the labour and material used being included in the pay-list and accounts described in the statement as "Certified and submitted to the Accountant and Paymaster General." If this is the case, I would beg to be informed as to how the cost of these buildings was arrived at, and I would ask to be furnished with a certificate from the officer of your department having this work in

et Cie; et considérant ces circonstances et l'explication ci-dessus donnée, je crois que vous pourrez considérer ces frais comme étant imputés avec raison et parfaitement dans l'ordre.

Bate, McMahon et Cie: règlement de contrat pour construction du camp Borden.

BUREAU DE L'AUDITEUR GÉNÉRAL,
OTTAWA, 21 janvier 1918.

MONSIEUR,—Je désire attirer votre attention sur l'état suivant soumis pour justifier le chèque n° 3395 émis par les quartiers généraux pendant l'année 1916-17, en faveur de Bate, McMahon et Cie, comme règlement final de leur contrat pour la construction du camp Borden d'entraînement au camp Borden:

Camp Borden, 1916......n° 3395.

Total des pièces acquittées et vérifiées, soumises au comptable et payeur général......................$	831,872 99
Total des bordereaux signés et vérifiés, soumis au comptable et payeur général......................	584,911 35
	$ 1,416,784 34
Moins crédits d'après la liste A attachée..............................	25,350 99
	$ 1,391,433 35
Montant sur lequel il n'y a pas de pourcentage à payer, d'après la liste ci-attachée, $212,850.56. 10% sur ($1,391,433.35—$212,850.56) ou $1,178,582.79=	117,858 28
	$ 1,509,291 43
Moins crédits d'après liste "B" ci-attachée........................	9,050 20
	$ 1,500,241 43
Paiements sur estimés progressifs faits à MM. Bate, McMahon et Cie.	1,434,632 22
Balance................$	65,609 21

Vous remarquerez qu'il y a dans cet état deux déductions, l'une avant et l'autre aprés le calcul de la commission de la maison.

En examinant la première liste de crédits, je trouve qu'elle consiste de montants alloués pour paiements en surplus, notes injustifiées, outillage gardé par l'entrepreneur et les montants suivants:—

Y.M.C.A.........................	$12,000 00
Théâtre Strand................	8,086 84
Théâtre Ketchen...............	274 67
Banque Home...................	1,000 00
Imperial Oil Co................	52 50

Il semblerait que ces montants ont été reçus par l'entrepreneur pour des édifices construits par lui, pour matériaux et main-d'oeuvre inclus sur les bordereaux de paie et les comptes décrits dans l'état sous la rubrique «certifiée et soumis au comptable et payeur général». Si c'est là le cas je vous demanderais de me faire connaître à combien s'est élevé le coût de ces édifices, de me fournir le certificat de l'officier de votre ministère en charge de ces travaux prouvant que ces montants constituent le coût entier du travail en question.

charge that these amounts constitute the entire cost of the work in question. With regard to the amount deducted after the calculation of the firm's commission, I find it consists entirely of an allowance made by the Canada Cement Company for cement sacks returned. I am unable to see how such an allowance can be distinguished from refunds on account of overpayments and other items for which credit has been allowed on the first statement. I have therefore to ask you to secure a refund from Bate, McMahon & Company of $905, which is the amount they have been overpaid on account of commission.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister of Militia and Defence.

Department of Militia and Defence,
Ottawa, February 21, 1918.

Sir,—I have the honour to acknowlege receipt of your letter of the 21st January, in which you take exception to the payment of certain items on statement submitted in support of Headquarters cheque No. 3395, issued in favour of Messrs. Bate, McMahon and Company, as a final payment on their contract for the construction of the training camp at Camp Borden. The Director General of Engineer Services, who certified these accounts, makes the following statement:—

"With reference to the communication from the Auditor General, dated 21st ultimo, and in the first place concerning the five amounts credited by the Contractors, viz:

(1) Y.M.C.A.	$ 12,000 00
(2) Strand Theatre	8,086 84
(3) Ketchen Theatre	274 67
(4) Home Bank	1,000 00
(5) Imperial Oil Co.	52 50

The first four of these amounts were received by the contractors for work done and material supplied for erections under the different headings and were arrived at by the cost of the workmen's time and board and due allowance for overhead charges, besides cost of materials and transport, and all as checked by engineer in charge of construction. Regarding item No. 1, instructions were given to the contractors to assist the Y. M. C. A. in establishing themselves at Camp Borden, as a result presumably of negotiations between the Y.M.C.A. and the then Minister of Militia and Defence, the understanding being that the contractors were to charge the work done to the Y.M.C.A. This was done on the basis already described and the amount computed on this account was $15,656.61. Of this amount, $12,000 has been refunded to the contractors by the Y.M.C.A., and as far as this department is concerned the contractors were charged with the refund made to them, the balance being a matter to be taken care of when the final supplementary settlement is made with the contractors. Meantime the total amount chargeable to Y.M.C.A. was certified correct and accepted on behalf of the Y.M.C.A. by a Mr. F. G. Gulbridge. Items 2 and 3 were carried out by the contractors at the instance of the General Officer Commanding, M.D. No. 2, and the amounts computed, charged and refunded on the basis described are correct. Item 4 was carried out by the

Au sujet du montant déduit après le calcul de la commission de la compagnie, je trouve qu'il consiste entièrement en une allocation faite par la Canada Cement Company pour sacs vides retournés. Je ne puis voir comment une telle allocation peut être distinguée des remboursements pour paiements excessifs et autres item portés au crédit dans le premier état à déduire. Je vous demande en conséquence de faire rembourser par Bate, McMahon et Cie, la somme de $905 montant qui se trouve payé en excès sur le compte de la commission.

Votre obéissant serviteur,

Ministère de la Milice et de la Défense,
Ottawa, 21 février 1918.

Monsieur,—J'ai l'honneur d'accuser réception de votre lettre du 21 janvier dans laquelle vous vous objectez au paiement de certains item de l'état soumis pour justifier le chèque des quartiers généraux n° 3395 émis en faveur de MM. Bate, McMahon et Cie, comme paiement final de leur contrat pour la construction du camp d'entraînement dit camp Borden. Le directeur général du service du génie qui a certifié ces comptes, fait la déclaration suivante:—

«Au sujet de la communication de l'auditeur général, en date du 21 dernier, et en premier lieu à propos des cinq montants portés au crédit des entrepreneurs, savoir:—

(1) Y.M.C.A.	$12,000 00
(2) Théâtre Strand	8,086 84
(3) Théâtre Ketchen	274 67
(4) Banque Home	1,000 00
(5) Imperial Oil Co.	52 50

les quatre premiers de ces montants ont été reçus par les entrepreneurs pour ouvrage fait et pour matériaux fournis pour l'érection d'édifices désignés sous les mêmes rubriques, et proviennent du coût de la main-d'oeuvre, de la pension et d'une allocation spécifiée à tant par tête, en outre des matériaux et des frais de transport, et le tout a été vérifié par l'ingénieur en charge de la construction.

Pour l'item n° 1, des instructions ont été données aux entrepreneurs d'aider l'association Y.M.C.A. à s'établir au camp Borden, instructions résultant probablement de négociations entre la Y.M.C.A. et le ministre d'alors de la Milice et de la Défense avec entente que les entrepreneurs devraient imputer les frais de l'ouvrage fait à la Y.M.C.A. C'est ce qui a été fait sur la base déjà décrite et le montant atteint par ce compte a été de $15,656.61. Sur ce montant, $12,000.00 ont été remboursés aux entrepreneurs par la Y.M.C.A., et, en autant que le ministère est concerné, ce remboursement a été placé au débit des entrepreneurs, et le solde est une question à régler lorsque viendra le règlement final avec les entrepreneurs. En attendant, le montant imputable à la Y.M.C.A. a été certifié exact et accepté pour la Y.M.C.A. par M. F. G. Gulbridge.

Les item 2 et 3 furent exécutés par les entrepreneurs à la demande de l'officier général commandant, D.M. n° 2, et les montants calculés, imputés et remboursés sur la base décrite sont exacts.

L'item 4 a été exécuté par les entrepreneurs en conformité avec les instructions données à ce service par le comptable et payeur général du

contractors on account of instructions issued to this branch by the then Accountant and Paymaster General of this department, Mr. J. W. Borden, and the amount computed, charged, and refunded on the basis described, is correct.

Item 5 is for stabling and feed for team and man, thirty days at $1.75, as supplied and charged against the Imperial Oil Company.

The contractors are being notified that credit is being taken for an amount of $905 on account of commission on credits list "B" by direction of the Auditor General, and this amount will accordingly be deducted and shown when the final supplementary settlement is made."

You will observe Messrs. Bate, McMahon Company have been advised that the overpayment of $905 will be adjusted in making the supplementary final settlement. In connection with the Y.M.C.A. credit, the contractors have been requested to take steps to obtain full payment from the Y.M.C.A. in order that credit may be given the department to the full extent of the work done, and you will be immediately advised when settlement is effected.

I trust this explanation is satisfactory.

Payment for reporting evidence of Court Martial of Lt. Col. Pagnuelo.

AUDITOR GENERAL'S OFFICE, June 11, 1917.

SIR,—Cheque No. 6428 of the 4th Divisional Area for 1916–17 covers a payment of $272.60 to R. Stanton Wright for reporting and transcribing the proceedings of the court martial and trial of Lt.-Col. Pagnuelo. I find that for December 5, 6, 7 and 8, four days, Mr. Wright charged $236.60 for his services reporting and transcribing, and that in addition to this the typing of the report was paid to another firm. This would be at a rate of over $59 a day, which appears to be excessive. Kindly let me have an explanation as to why it was necessary to pay this rate for the services of a stenographer.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

The Deputy Minister of Militia and Defence.

DEPARTMENT OF MILITIA AND DEFENCE,
OTTAWA, July 14, 1917.

SIR,—I beg to acknowledge receipt of your communication of the 11th ult. relative to a payment of $272.60 to R. Stanton Wright for reporting and transcribing proceedings of the court martial of Lieut.-Col. Pagnuelo. The charge does appear to be high, but no higher, I believe, than what is usually claimed by expert stenographers when reporting proceedings of courts, as will be seen by reference to the claim of Messrs. Newall & Co., Toronto, in connection with the Base Hospital inquiry. In this case, $550.75 for eight days' work, an average of $68.85 per day was charged, and in this instance there was no extra work at nights as in the Pagnuelo court martial.

I am, sir, your obedient servant,

EUG. FISET, *D.M.*

The Auditor General.

temps pour le ministère, M. J. W. Borden, et le montant calculé, imputé et remboursé sur la base décrite est exact.

L'item 5 est pour la pension d'un homme et une paire de chevaux, 30 jours à $1.75, fournie et imputée au débit de l'Imperial Oil Company.

Les entrepreneurs ont reçu avis qu'un montant de $905 a été placé à leur débit, ou à déduire sur le compte de commission sur la liste de crédits «B», suivant la demande de l'auditeur général, et ce montant sera déduit et apparaîtra dans le règlement supplémentaire final.»

Au sujet du crédit accordé à la Y.M.C.A., les entrepreneurs ont été requis de faire des démarches pour se faire payer au complet par la Y.M.C.A., afin que le ministère reçoive crédit pour tout le travail fait et vous serez averti immédiatement lorsque le règlement sera effectué.

Espérant que cette explication sera satisfaisante,

Je demeure, monsieur,

Votre obéissant serviteur,

Paiement pour compte rendu de la preuve devant la cour martiale du procès du lt.-col. Pagnuelo.

BUREAU DE L'AUDITEUR GÉNÉRAL,
OTTAWA, 11 juin 1917.

MONSIEUR,—Le chèque n° 6423 de la 4e région divisionnaire pour 1916-17 couvre un paiement de $272.60 à R. Stanton Wright pour compte rendu et transcription des procédures de la cour martiale et du procès du lt-col. Pagnuelo. Je trouve que pour les 5, 6, 7 et 8 décembre, soit quatre jours, M. Wright demande $236.60 pour ses services de reportage et transcription, et qu'en plus, la dactylographie du rapport a été payée à un autre. Cela fait un taux d'au delà de $59 par jour, montant qui me paraît excessif.

Veuillez me donner une explication sur la nécessité de payer un taux aussi élevé pour les services d'un sténographe.

Je demeure, monsieur,

Votre obéissant serviteur,

J. FRASER, *A.G.*

Au sous-ministre de la Milice et de la Défense.

MINISTÈRE DE LA MILICE ET DE LA DÉFENSE.
OTTAWA, 14 juillet 1917.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 11 dernier relativement à un paiement de $272.60 fait à R. Stanton Wright pour copie et transcription des procédures de la cour martiale dans le procès du lieut-col. Pagnuelo.

Cette note paraît élevée, mais elle ne l'est pas plus, je crois, que celle qui est ordinairement présentée par les sténographes experts faisant rapport des procédures des cours, comme on peut le constater par la réclamation de MM. Newall & Co., Toronto, au sujet de l'enquête sur l'hôpital central. Dans ce cas, la note a été de $550.75 pour huit jours de travail, soit une moyenne de $68.85, et il n'y eut pas alors de travail supplémentaire le soir comme dans le cas du procès Pagnuelo en cour martiale.

J'ai l'honneur d'être, monsieur,

Agency fees for transports at Halifax.

AUDITOR GENERAL'S OFFICE, August 22, 1917.

SIR,—Cheque No. 9813 of the 6th Divisional Area for 1916–17 covers a payment of $200 to A. G. Jones & Company, of Halifax, N.S. The voucher forwarded this office states that this payment was for General Agency fees as agent for the Canadian Government, and, accompanying the voucher, there is a copy of a night lettergram to Lieut.-Col. Lindsay, at Halifax, informing him as follows: "Have notified Mr. Mitchell that employment of his Halifax agents at two hundred dollars is authorized." (Signed) "D.G.S. & T." Kindly inform me what services are covered by these fees, and what other authority there is for making the payment.

The Deputy Minister of Militia and Defence.

DEPARTMENT OF MILITIA AND DEFENCE,
OTTAWA, October 4, 1917.

SIR,—I have the honour to acknowledge receipt of your letter of August 22, in regard to agency fees paid to Messrs. A. G. Jones & Company, Halifax. The services performed by Jones & Company consist of attention to all disbursements for repairs, etc., on our account, preparing and ordering embarkation cards, stevedoring, tugs, pilots, and all other matters incidental to the handling of the transport while in Halifax harbour. The ss. *Olympic*, for which this payment was made is on Admiralty charter, and the White Star Dominion Line's representatives on this side have absolutely nothing to do with the handling of the vessels unless they are specially requested, and for which services, payment must be made. For your information, I am attaching copy of letter from the Ministry of Shipping which was forwarded to various steamship lines, dealing with a number of items which were contentious, and in view of the opinion expressed therein it is thought that we should accept debit for agency fees, as the work performed was necessary and authorized.

Honoraires d'agences pour transport à Halifax.

BUREAU DE L'AUDITEUR GÉNÉRAL,
OTTAWA, 22 août 1917.

MONSIEUR,—Le chèque n° 9813 émis par le bureau de la 6e région divisionnaire pour 1916-17, couvre un paiement de $200.00 à A. G. Jones et Cie, d'Halifax, N.-E.

La pièce justificative envoyée à ce bureau établit que ce paiement a été fait pour honoraires d'agence générale agissant comme agent du gouvernement, et avec la pièce, il y a une copie de lettre-dépêche au lieut-col. Lindsay, à Halifax, lui disant ce qui suit: «Ai averti M. Mitchell que l'engagement d'agents à Halifax pour deux cents dollars a été autorisé». (Signé) «D. G. S. & T.».

Veuillez me dire quels sont les services que ces honoraires devaient compenser, et quelle autorisation on a eu pour faire ce paiement.

Au sous-ministre de la Milice et de la Défense.

MINISTÈRE DE LA MILICE ET DE LA DÉFENSE,
OTTAWA, 4 octobre 1917.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 22 août au sujet d'honoraires d'agence payés à MM. A. G. Jones et Cie, Halifax. Les services rendus par Jones et Cie consistent en surveillance pour notre compte, des déboursés pour réparations, etc., la préparation et le placement des annonces d'embarquement, arrimage, remorqueurs, pilotes, et toutes autres affaires incidentes concernant le maniement du transport dans le port d'Halifax. Le vap. *Olympic* pour lequel ce paiement a été fait est nolisé par l'Amirauté et les représentants d'ici de la White Star Dominion Line n'ont absolument rien à faire avec la direction des vaisseaux, à moins d'en être spécialement requis, et pour lesquels services paiement doit être fait. Pour votre gouverne, je joins copie de la lettre du ministère de la Marine envoyée aux diverses lignes de bateaux à vapeur traitant d'un nombre d'item litigieux, et en considération de l'opinion émise dans cette lettre on a pensé que nous devions accepter la dette pour honoraires d'agence, vu que le travail fait était nécessaire et autorisé.

Commission des hôpitaux militaires: paiement sur compte des édifices du sanatorium à Ninette.

BUREAU DE L'AUDITEUR GÉNÉRAL,
OTTAWA, 3 janvier 1916.

MONSIEUR,—Le chèque n° 11118 a été émis par votre commission en faveur du lt-col. C. W. Rowley à compte du sanatorium de Ninette, et un mémorandum est produit comme pièce justificative d'un accord entre la commission des hôpitaux militaires et le bureau des directeurs du sanatorium du Manitoba pour les tuberculeux, dans

appear that this $10,000 was a part payment to the Manitoba Sanatorium on account of certain buildings to be erected. Kindly inform me why this cheque was drawn in favour of Col. C. W. Rowley, and what evidence you have that C. W. Rowley paid over the money to the Manitoba Sanatorium. On payments of this kind, you will kindly have the cheques drawn direct to the parties to whom the money is due and not to a member of your commission, as this leaves the matter in doubt as to whether the money actually was received by the parties to whom it was due.

I am, sir, your obedient servant,

J. FRASER, *A.G.*

MILITARY HOSPITALS COMMISSION,
OTTAWA, January 8, 1918.

SIR,—I have the honour to acknowledge the receipt of your letter of the 3rd instant, regarding a cheque drawn in favour of Lt.-Col. C. W. Rowley, on account of Ninette Sanatorium. This cheque was so drawn as the whole business was being managed by Colonel Rowley, and he wished to make the necessary payments under the agreement immediately they became due. I am writing to the authorities at Ninette Sanatorium to have the receipts for the money received by them forwarded. I trust this action will be approved by you.

I am, sir, your obedient servant,

E. H. SCAMMELL, *Sec.*

The Auditor General.

AUDITOR GENERAL'S OFFICE, January 9, 1918.

SIR.—I beg to acknowledge receipt of your letter of the 8th instant, in reply to my inquiry about a payment to Lt.-Col. C. W. Rowley, presumably on behalf of the Board of Trustees of the Manitoba Sanatorium for Consumptives. In reply, I may say that the action you have taken to secure receipts for this money from the Sanatorium authorities appears to be, under the circumstances, the proper course to follow. At the same time, I wish to make the observation that the issuing of cheques for large amounts to parties other than those to whom it is to be paid is a practice that might very advantageously be discontinued.

I am, sir, your obedient servant,

SIR.—Your letter of the 9th instant, addressed to the secretary, has been passed to me for further attention. I enclose herewith a letter received from the secretary of the Manitoba Sanatorium

lequel il paraîtrait que ce $10,000 est une partie du paiement au sanatorium du Manitoba à compte de certains édifices à être érigés. S'il vous plaît m'informer pourquoi ce chèque a été émis en faveur du col. C. W. Rowley, et quelle preuve vous avez que C. W. Rowley a payé ce montant au sanatorium du Manitoba. Dans les paiements de cette nature, s'il vous plaît émettre les chèques directement aux intéressés à qui l'argent est dû et non pas à un membre de votre commission, parce que cela laisse un doute à savoir si l'argent a été réellement reçu par ceux à qui il était dû.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 3 courant au sujet d'un chèque émis en faveur du lt-col. C. W. Rowley, à compte du sanatorium de Ninette. Ce chèque a été ainsi émis vu que toute l'affaire avait été conduite par le colonel Rowley, et il désirait faire les paiement convenus au contrat aussitôt dus. J'écris aux autorités du sanatorium de Ninette pour avoir les reçus des argents qui leur ont été envoyés. J'espère que cette démarche sera approuvée de vous.

MONSIEUR,—J'ai l'honneur d'accuser réception de votre lettre du 8 courant, en réponse à ma demande d'informations au sujet d'un paiement fait au lt-col. C. W. Rowley, probablement pour le compte du bureau des directeurs du sanatorium pour les tuberculeux. En réponse, je dois dire que votre démarche pour obtenir les reçus de cet argent des autorités du sanatorium semblent être dans les circonstances, ce qu'il y avait justement à faire. Je profite de l'occasion pour vous faire observer que l'émission de chèques pour gros montants à des parties autres que celles à qui ils doivent être payés est une chose qui devrait, pour le plus grand avantage de tous, être discontinuée.

COMMISSION DES HÔPITAUX MILITAIRES,
OTTAWA, 16 janvier 1918.

for Consumptives showing the various amounts that have been paid to him through Col. Rowley and the Assistant Director "G" Unit. The first two items March 16 and April 24 cover the advance of $10,000 issued to Col. Rowley, cheque No. 11118 (1916-17). Your observations contained in the second paragraph of your letter will receive our most careful attention, and in future no cheques will be issued for large amounts to parties other than those to whom it is to be paid. Trusting that this information will be sufficient.

toba pour tuberculeux, donnant les divers montants qui ont été payés à cet établissement par l'entremise du col. Rowley et du sous-directeur de l'unité «G». Les deux premiers item du 16 mars et du 24 avril couvrent l'avance de $10,000 accordée au col. Rowley, par chèque n° 11118 (1916-17).

Les remarques contenues dans le second paragraphe de votre lettre seront étudiées avec attention, et à l'avenir aucun chèque ne sera émis pour de gros montants à d'autres personnes que celles à qui ces montants sont destinés.

Espérant que ces renseignements seront suffisants,

DEPARTMENT OF MILITIA AND DEFENCE,
OTTAWA, February 11, 1918.

SIR.—In accordance with several conversations with you on the subject, I would request that an understanding in writing may be had between your office and this department in regard to the responsibility in connection with the chief paymaster's expenditure overseas. My understanding of the matter is that although this department has made requisitions on the Finance Department for credits for the chief paymaster from the 1st of April, 1917, to the end of November, 1917, it will not be held responsible for the accounting for the expenditure made from such credits later than

MINISTÈRE DE LA MILICE ET DE LA DÉFENSE,
OTTAWA, 11 février 1918.

MONSIEUR,—Conformément aux diverses conversations que j'ai eues avec vous sur le sujet, je désirerais qu'une entente par écrit soit faite par votre bureau et ce ministère concernant la responsabilité des dépenses d'outre-mer du payeur en chef. Je comprends que la question est que bien que ce ministère ait fait des réquisitions au ministère des Finances pour des crédits pour le payeur en chef depuis le 1er avril 1917 à la fin de novembre 1917, ce ministère ne sera pas tenu responsable de la justification des dépenses encourues pour tels crédits après le 31 mars 1917. En d'autres termes, depuis

the 31st of March, 1917. In other words, from the 1st of April, 1917, the chief paymaster overseas will be responsible to you direct for all expenditure made by him; and that prior to that date you will look to this department for an accounting. The chief paymaster himself understands this, apparently, but is requesting that he may be officially advised of such arrangement. It is therefore requested that you advise him direct as well as this department.

I am, sir, your obedient servant,

EUG. FISET, *D.M.*

AUDITOR GENERAL'S OFFICE, February 14, 1918.

SIR,—I have to acknowledge receipt of your letter of 11th instant, H.Q. 683-571-2. In reply I beg to say that I think your understanding of the matter is correct. The Overseas Department is complete in itself, with a Minister, a Deputy Minister, etc., and has been for some time prior to 1st April, 1917, and unless the Governor in Council has provided that the operation of that department should be under your control I see no reason it should be treated differently from any other department of the Government.

The Deputy Minister of Militia and Defence.

le 1er avril 1917 le payeur en chef d'outre-mer sera responsable directement à vous pour toutes dépenses faites par lui; et pour celles antérieures à cette date vous vous adresserez à ce ministère-ci pour justification. Le payeur en chef apparemment le comprend ainsi, mais il demande d'être officiellement avisé de cet arrangement. Vous êtes en conséquence requis de l'aviser de même que ce ministère.

Les ministère d'outre-mer est complet avec un ministre, un sous-ministre, etc., et ce depuis avant le 1er avril 1917; et à moins que le Gouverneur en conseil n'ait arrêté que les opérations de ce ministère seraient sous votre contrôle je ne vois aucune raison pour qu'il soit traité différemment des autres ministères du gouvernement.
